Roadmap

Why Antioch?

What is the mission of the **Center for Creative Change?**

to prepare students to envision and
lead effective, **sustainable change**
in organizations, businesses and
communities.

What is the **Center for Creative Change?**

The Center for Creative Change is a **dynamic** and **innovative** graduate center that prepares students to understand the world as an integrated system and to become effective leaders in facilitating positive and sustainable change in organizations, communities and the environment.

Why choose the **Center for Creative Change?**

- To understand change as an opportunity for success
- To learn how to design and manage change
- To create long-lasting, positive change
- To renew organizational vitality
- To make the world a better place in the work you get paid to do

Why choose the **Center for Creative Change?**

To learn and apply techniques for:

- productive **collaboration**
- sustainable **decision-making**
- effective **leadership**

Why choose the **Center for Creative Change?**

To learn how to create change that sustains:
